FLYER 2

**Do you want to move your teaching to the
next level?**

**Do you want to have a clearer
understanding of what outstanding
teaching and learning looks like?**

Four full days especially designed for
teachers in their second or third year of
teaching.

The programme has five main principles
which focus on deepening learning, role
modelling, improving engagement and
challenge in order to make the biggest
impact on progress.

Drawing upon current research this
reflective course will provide the
participants with practical skills to deepen
understanding of different pedagogical
approaches, including questioning,
improving knowledge around the effective
use of data to accelerate progress and
develop the effective use of teaching
assistants.

One day will be a school-based day where
participants will have the opportunity to
observe and talk to excellent teachers during
the school day.

Venue:

The Church of England Offices
